Dear collegues,			
USTR has invite	c and me for a me	eting with the American Se	eed Trade Association and the
European Seed			at TTIP paper which you probably
		ich will be presented at this	
			ority issues for TTIP: phytosanitary
	·		y in this respect, new plant
		ic need for regulation) and	the presence of GMOs in
conventional se	eed.		
and I will	attend this meeting. We	would be grateful to get a	line to take, otherwise we will just
take note and r	=
