Subject: meeting with Mr Zielinski

Dear Mr Straw,

Thank you very much for your letter dated 27 March 2013 concerning inward processing in the sugar sector. I am pleased to inform you that we are available for a meeting in Brussels. We hope that one hour would be sufficient for discussing the issues. Possible dates for such a meeting could be on 16 April in the morning (would be 10h o'clock convenient for you?) or 27 May.

If it doesn't suits you, please feel free to propose another timing.

The meeting will be held in our premises situated rue du Luxembourg 40.

The reception will be informed about your venue. For our security reasons, please also send to us at your earliest convenience, the list of participants from your side.

In order to ensure that the meeting will be productive, we would be very grateful if your collaborators could provide us with more details on the issues of concern, timely before the meeting takes place.

Yours sincerely,

[DELETED]
on behalf of Mr Zielinski
