Dear [REDACTED],

To follow up on your request, we thought it would be good to have an exchange of views immediately after the Farm to Fork Strategy is adopted. We would of course like to discuss the next steps stemming from the action plan and to answer questions you might have on the Strategy. I am afraid that 30 minutes is what we have (as you know, EVP likes to be early so it will be a bit more longer if you log in early too 😊)

Happy to discuss!

All the best,

Lukas

Dear [REDACTED], dear Mr Visek,

Thank you very much for your interesting invitation! I am delighted to accept your invitation on behalf of [REDACTED] (Copa) and [REDACTED] (Cogeca).

If I may ask, what would be the layout of this video conference? I assume the EVP would talk about big political initiatives, also affecting agri-food chain and in particular farmers and their cooperatives. I wonder if 30 minutes is enough for this even if our delegation was only [REDACTED] and I. Knowing your tight timetables, could 45 minutes (15.00-15.45) be possible?

From our side, we could organize video conference service with interpretation (Kudo, EN/ES) if it is acceptable for you. Let me know your thoughts.

Nevertheless, looking forward to talk to Mr Timmermans,

[REDACTED]  
Copa and Cogeca
