<p>Find an excuse and complain to the EC about a breach of Single Market law. You can always try to say it "infringes upon free movement of goods and services"!</p> <p>→</p>	<p>You can't sleep, you're feeling guilty for ruining people's lives. You consider resigning and starting to volunteer at an animal shelter.</p> <p>PLAY AGAIN!</p>	<p>An NGO is investigating you.</p> <p>GO BACK TO THE BEGINNING!</p> 	<p>Congrats! You got an informal investigation procedure opened & the Member State reply was rejected!</p> 	<p>Your mother always dreamt you would one day become President.</p> <p>While you consider your political future,</p> <p>GO FORWARD TWO STEPS.</p>	<p>Buuuhhh! You managed to get an informal investigation opened but the Member State reply was accepted.</p> <p>YOU LOSE!</p>	<p>You're having second thoughts. Should you really put so many people's lives in danger just so you can become filthy rich?</p> <p>GO BACK FOUR STEPS.</p>
 <p>There are huge demonstrations against you!</p> <p>GO BACK SEVEN STEPS!</p>	<p>Think about your future, what can you obstruct next? Social housing? Public health-care? Consumer protection?</p> <p>MOVE FORWARD ONE STEP!</p>	<p>Journalists are preparing an indepth article into your shenanigans!</p> <p>Damn!</p> <p>GO BACK THREE STEPS!</p>	<p>Good job! You managed to delay this regulation by one year already!</p> <p>GO DOWN THIS ROPE!</p> 	<p>Yeesss! An infringement procedure was open and the Member State's reply was rejected!</p> <p>KEEP PLAYING!</p>	<p>Oh no! An infringement procedure was open but the Member State's reply was accepted!</p> <p>YOU LOSE!</p> 	<p>You're having fun now, but what you really dream of doing is reverting a ban on gambling, pesticides or short distance flights.</p> <p>GO FORWARD ONE STEP.</p>
<p>OMG! The EC just asked for a reasoned opinion and the Member State's reply was accepted!</p> <p>YOU LOSE!
