Subject: Meeting request - Dow AgroSciences - Monday July 8th

Dear [redacted],

As you are aware, Dow AgroSciences is closely following the EU developments on new breeding techniques. My colleague [redacted], our [redacted] is one of our main company experts in new breeding techniques and will be in Brussels next week.

I would like take the opportunity to ask for a short meeting to discuss the current status and next steps in the new breeding techniques dossier.

Would Monday July 8th be possible for you? Both the morning and afternoon are still available to us, so please suggest a suitable time.

Many thanks in advance,

Kind regards,

Dow AgroSciences
