Dear [REDACTED],

The Gibraltar Representation to the EU is organizing a study trip to Gibraltar for Assistants to MEPs. The aim is to raise awareness of Gibraltar's situation and its interests at European Union level.

We will be inviting a delegation of 8 - 10 MEP assistants who work in support of MEPs work in areas relevant to the interests of Gibraltar. The programme will include formal briefings and visits to see the Rock and its unique tourist attractions.

I am pleased to be able to extend an invitation to you to nominate one of your Brussels-based assistants to participate in this study trip.

Departure from Brussels will be on the morning of [Thursday 25 June](#) and return on the evening of [Saturday 27 June](#).

If one of your assistants would be interested in participating in this study trip, please ask her/him to confirm their attendance no later than [Tuesday, 16 June](#) by [12:00](#) noon.

I will organize a short introductory meeting [on Tuesday 16 June at 5:30 PM](#) in the Mickey Mouse Bar in the European Parliament in order fully to brief attendees on the programme, as well as provide an opportunity for the MEP assistants to get to know each other and the Gibraltar team.

I look forward to hearing from you.

Kind regards,

Graham Watson
