MEMORANDUM FROM THE PRESIDENT TO THE COMMISSION

According to Article 245(2) of the Treaty on the Functioning of the European Union, the members of the Commission give a solemn undertaking that, both during and after their term of office, they will respect the obligations arising therefrom and, in particular, their duty to behave with integrity and discretion as regards the acceptance, after they have ceased to hold office, of certain appointments or benefits.

Further to this Treaty provision, the Code of Conduct for Commissioners (C (2011) 2904 final) establishes a specific procedure for the assessment of planned occupations which former Commissioners intend to take up during the eighteen months after they have ceased to hold office. The Commission shall examine the nature of the planned occupation and, if the activity is related to the content of the Commissioner's portfolio, it shall seek the opinion of the Ad hoc Ethical Committee.

On 25 February 2015, former Commissioner Mr Karel De Gucht notified the Commission about several post-mandate activities. Mr De Gucht informed the Commission that he has resumed his teaching activity at the *Vrije Universiteit Brussel* as Professor of European Law and notified his intention to accept assignments notably as Chairman of the Institute of European Studies of the *Vrije Universiteit Brussel*, as Member of the Board of Directors of Belgian telecom company Belgacom and as Member of the Board of Directors of wealth management firm Merit Capital NV.

Professor of European Law at the Vrije Universiteit Brussel

Mr De Gucht informed the Commission that he has resumed his long-standing teaching activity at the *Vrije Universiteit Brussel* as Professor of European Law. This activity is remunerated.

Following the line adopted by the Commission in its previous decisions with regard to former Commissioners' envisaged academic activities, the Services of the Commission considered that this activity does not present any risk of incompatibility either with Mr De Gucht's former function as Member of the Commission or with the interests of the Institution. On this basis, the Ad hoc Ethical Committee was not requested to provide its opinion thereupon.

The Services of the Commission considered however that Mr de Gucht should be reminded about his obligation, deriving from Articles 245(2) and 339 of the TFEU and from the Code of Conduct for Commissioners, to protect the collegiality and the confidentiality of the matters dealt by the Commission during his mandate.

Chairman of the Institute of European Studies of the Vrije Universiteit Brussel

The Institute of European Studies of the *Vrije Universiteit Brussel* is an academic research and teaching center, which delivers master degrees, as well as a policy think tank which focuses on the European Union in an international setting. The Institute advances

academic education and research in various disciplines and provides services to policy-makers, scholars, stakeholders and the general public.

Mr De Gucht informed that this function will not be remunerated.

The Services of the Commission considered that this academic activity does not present any risk of incompatibility either with Mr De Gucht's former function as Member of the Commission or with the interests of the Institution. On this basis, the Ad hoc Ethical Committee was not requested to provide its opinion thereupon

Member of the Board of Directors of BELGACOM

Mr De Gucht informed that his envisaged function as Member of the Board of Belgacom S.A will be remunerated

This activity is not related to Mr De Gucht's former Commission portfolio and, on this basis, the Ad hoc Ethical Committee was not requested to provide its opinion on its compatibility with article 245(2) of the TFEU.

The Services of the Commission considered that the envisaged activity is not contrary either to article 245(2) of the TFEU or to the Code of Conduct for Commissioners, on the condition that Mr De Gucht refrains from lobbying the Commission and/or its services, during eighteen months after the end of his mandate, on behalf of Belgacom.

Member of the Board of Directors of wealth management firm Merit Capital NV

Mr De Gucht informed that he is a shareholder of up to 10% of wealth management firm Merit Capital NV, which he has mentioned in his declarations of interest during his term as Member of the Commission. He has held, before being appointed to the Commission, the same function which he now intends to resume.

His envisaged activity will not be remunerated.

This activity is not related to Mr De Gucht's former Commission portfolio and, on this basis, the Ad hoc Ethical Committee was not requested to provide its opinion on its compatibility with article 245(2) of the TFEU.

The Services of the Commission considered that the envisaged activity is not contrary either to article 245(2) of the TFEU or to the Code of Conduct for Commissioners.

The Commission is invited:

- (1) to decide that former Commissioner Karel De Gucht's activity as Professor of European Law at the *Vrije Universiteit Brussel* is compatible with Article 245(2) of the TFEU, on the condition that Mr De Gucht protects the collegiality and the confidentiality of the matters dealt by the Commission during his mandate;

- (2) to decide that Mr De Gucht's envisaged activity as Member of the Board of Belgacom is compatible with Article 245(2) of the TFEU on the condition that Mr De Gucht refrains from lobbying the Commission and/or its services, during eighteen months after the end of his mandate, on behalf of Belgacom;
- (3) to decide that Mr De Gucht's envisaged activities as Chairman of the Institute of European Studies of the *Vrije Universiteit Brussel* and as Member of the Board of Directors of Merit Capital NV are compatible with Article 245(2) of the TFEU;
- (4) to instruct the Secretary General to inform Mr De Gucht about the present decision, yet drawing his attention to the conditions stipulated with regard to some of his notified activities.

Subject: URGENT - Projet de décision sur quatre activités après cessation de fonctions de M. De Gucht

The Legal Service can give its agreement to this draft decision.

It considers, however, that in order to be complete, as regards the membership of the Board of Directors of Belgacom, it would be useful to recall also the duty to respect the principles of collegiality and confidentiality of the matters dealt with by the Commission during Mr De Gucht's mandate.
